Hey Debra -

We were not able to get this worked into the schedule last week due to the late notice, however, we'll get this knocked out and will still honor the discounted rate I had mentioned to Steve.

Since the free day in the schedule last week was Friday and we didn't get confirmation back from you until later in the day on Thursday, we just couldn't pull it off in the short amount of time.

I'll work to get this shot in the near future.

Thanks.

Stuart

Hi Stuart,

I do want to move forward with the photography of Baby Hugo Naturals, as you mentioned Montana had some free time coming up. We discussed it here, and we're all on the same page, so please plan for a re-shoot.

Thanks, Stuart!

Debra
